EXPERIENCE

- Assistant Professor - Rizvi College of Arts, Science and Commerce 2023-Till date

Successfully fostered strong relationships with parents through regular meetings and interactions, ensuring a supportive and collaborative educational environment. organized various competitions to stimulate student engagement and creativity, Additionally, I developed and arranged short-term courses to enhance students' skills and knowledge. My efforts consistently encouraged a dynamic and interactive learning atmosphere in the classroom.

- **Assistant Professor - Manjunatha College of Commerce 2022-23**

I excelled in explaining and teaching various concepts and theories within my area of expertise, ensuring clarity and comprehension for all students. Regularly attending departmental and faculty meetings, I contributed to academic discussions and decision making processes. I delivered lectures with enthusiasm and organized seminars and events to enrich the students' learning experiences. Additionally, I oversaw and assessed student project work, staying abreast of the latest findings in my field to ensure the relevance and rigor of my instruction.

- **Assistant Teacher- DRT Junior College(State Board) 2016-2022**

I maintained accurate and complete student records, adhering to legal and administrative regulations. I assigned and graded class work and assignments promptly, providing constructive feedback to foster academic growth. Diligently prepared materials and classrooms for class activities, creating an optimal learning environment. Beyond academic responsibilities, guided and counseled students facing adjustments or academic challenges, and supported those with special academic interests, ensuring their social development and physical health were also addressed

- **Assistant Teacher- Noble PU College (CBSC Board) 2010-2012**

I established and enforced rules for behavior and procedures to maintain order among students, creating a disciplined and respectful learning environment. I instructed through a variety of methods, including lectures, discussions, and demonstrations, to engage students effectively. By adapting my teaching methods and instructional materials, I catered to the varying needs and interests of my students, ensuring each individual had the opportunity to succeed and thrive academically.
